SKILLS & INTERESTS

- **Time Management:** I work two jobs and maintain a 4.00 GPA as a full-time student. I juggle this time with friends and family as well as hobbies.
- Volunteer Work: I volunteer somewhat often at a variety of places, but most notably the soup
 kitchen, local fields that grow food for needy people and businesses, as well as churches that give
 out food to those in need.
- **Technology & IT:** Strong computer skills, experience building computers, and currently pursuing CompTIA A+ and Security+ certifications.
- Welding: Certified in welding; hands-on experience with projects at school and with family.
- Academics: Passion for learning, taken 11 AP classes, and constantly seeking intellectual challenges.
- **Automotive:** Extensive experience working on cars, including an 1980s project car and various classic vehicle restorations with my father.
- **Music:** Advanced guitar and bass player, intermediate drummer, and beginner-level pianist. Active in a band with friends and colleagues.
- Languages & Hobbies: Interested in learning Spanish and enjoy reading when time allows.
